1848  
The first of the year  
was a very cold one  
and the snow lay  
on the ground for  
many days. The  
frost was very  
severe and the  
wind was very  
strong. The  
people were  
very much  
concerned  
for the  
crops. The  
government  
sent out  
a number of  
soldiers to  
protect the  
crops. The  
soldiers were  
very brave  
and they  
did their  
best. The  
crops were  
saved and  
the people  
were very  
happy. The  
year was  
very good  
for the  
people. The  
government  
did a very  
good job  
of protecting  
the crops.  
The people  
were very  
grateful to  
the  
government.  
The year  
was a very  
good one  
for the  
people.
